A woman with her hair in a braid, wearing safety glasses, is looking out over a city skyline at night from a bridge. The scene is illuminated with warm, golden light, possibly from the setting or rising sun. The bridge's steel structure is visible in the foreground, and the city lights are blurred in the background.

Peace of mind,
today & tomorrow

Managed Services for your cinema

Sony Digital Cinema **4K**

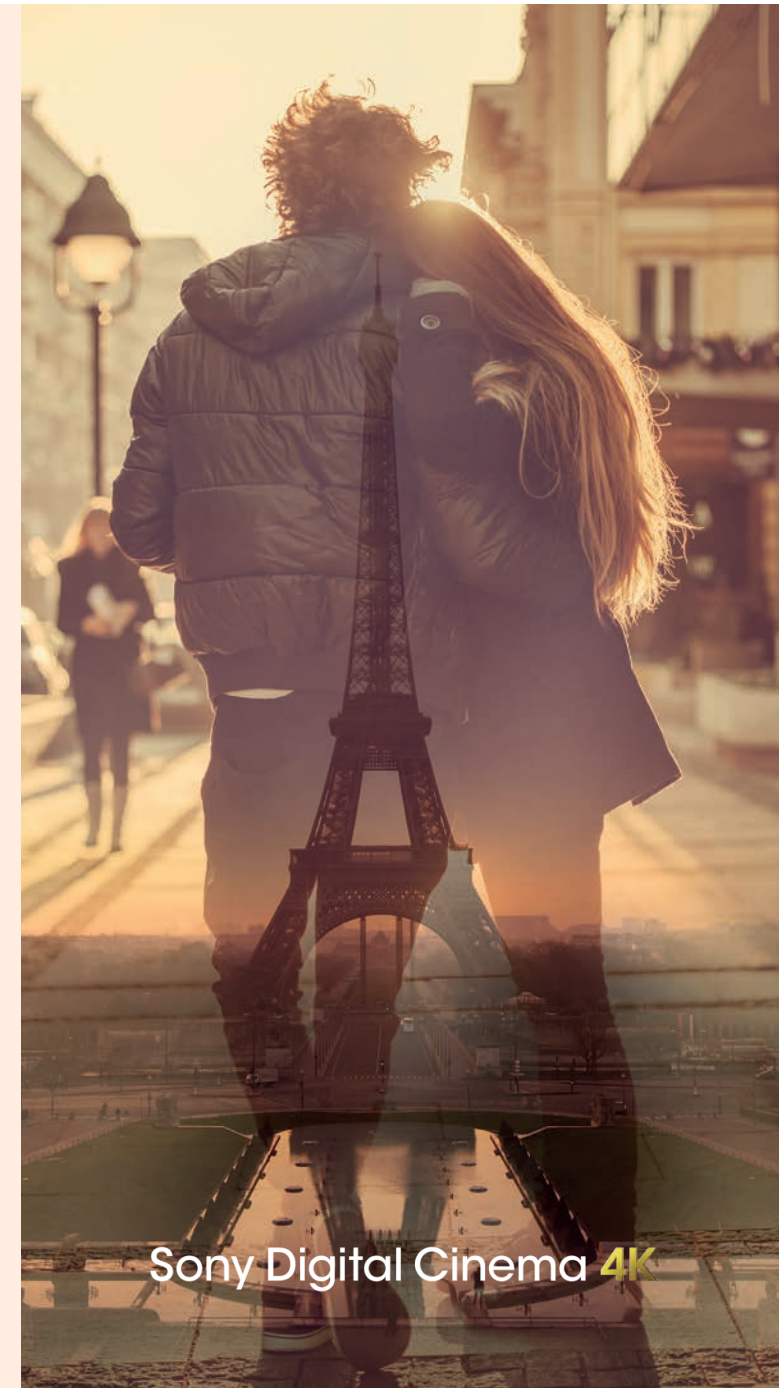

Sustaining your success.

At Sony Digital Cinema, we've always believed in giving exhibitors access to the best possible image quality.

And now we've taken the uncertainty – and the capital risk – out of upgrading your projection infrastructure to deliver the best 4K images that audiences love on any size of screen.

Managed Service from Sony Digital Cinema lets you focus on what you do best: giving patrons an unforgettable experience, while growing your own business sustainably.
